PALADIN™
POWERFUL ATTACHMENT TOOLS

Our customers face some of the world's toughest jobs. As one of the world's largest providers of attachment tools, Paladin Brands is up to the challenge with a broad line of innovative, dependable solutions.

OUR PEOPLE

One of the pillars of our success is our people. With thousands of years of combined experience, no one knows attachment tools like we do. Paladin team members are passionate about our products and even more passionate about helping our customers succeed.

OPERATIONAL EXCELLENCE

The Paladin Business System demands rigorous quality control as a part of our

overall operational excellence. Under our continuous improvement culture, we will never be satisfied with yesterday's achievements. With our strict performance standards, customers can rely on us to deliver the strongest combination of quality and productivity.

CORE MARKETS

Every day, our leading global brands are busy working on construction, utility, demolition, recycling, forestry, aviation, foundation, material handling and agriculture jobs in more than 35 countries. These powerful brands fall within one of our four groups—Construction, Utility, Demolition and Recycling, and Custom Material Handling.

PALADIN™ CONSTRUCTION GROUP

Paladin Construction Group's industry-leading brands have more than 200 years of combined experience in the design and manufacture of advanced coupler systems and attachment tools for carriers, from small compact tool carriers to large excavators, wheel loaders and truck chassis.
